

Children's Rights Alliance Safeguarding Statement

November 2022

1. Name of the service being provided

The Children's Rights Alliance is a small organisation that has one office in 7 Red Cow Lane, Smithfield, Dublin 7.

The Children's Rights Alliance unites over 100 organisations working together to make Ireland one of the best places in the world to be a child. We improve the lives of all children and young people by ensuring Ireland's laws, policies and services comply with the standards set out in the United Nations Convention on the Rights of the Child.

The Children's Rights Alliance engages with children aged 0-18 years in the following ways:

- As part of the Access to Justice Initiative the Alliance through a consultant provides face to face legal advice to children, young people and their families in clinic based settings throughout the country
- The Alliance provides free basic legal information to children, young people and their families on the dedicated information line
- The Children's Rights Alliance sometimes makes referrals to Tusla and Gardaí when we receive information from third parties
- On an occasional basis the Alliance works directly with children and young people on Legal and Policy projects and consultations as well as liaises with organisations that work directly with children

2. Principles to safeguard Children from Harm

The Children's Rights Alliance is committed to the protection of children and young people with whom we work and to promoting good practice within our organisation.

The Alliance is committed to promoting the rights of the child including the participation of children and young people in matters that affect them.

The Children's Rights Alliance is committed to adherence to the Children First Act 2015 and the Children First National Guidance 2017.

3. Risk Assessment

We have carried out an assessment of any potential for harm to a child while availing of our services. Below is a list of the areas of risk identified and the list of procedures for managing these risks, available on request and are also contained in the Child Protection Policy and Procedures document on our website [here](#).
